

This recent Cabinet Restyle customer resurfaced old oak with this solid cherry.

Update your kitchen without draining your wallet!

Tired of old, ugly cabinets, or just looking for a change? Refacing your cabinets gives you a fresh new look without the cost of a total remodel – and refacing is the green way to remodel.

Cabinet Restyle is a family business offering:

- Solid wood facing materials (no veneers or laminates)
- Over 250 door styles
- Pullout shelving (solid wood dovetail)
- Concealed hinges
- Reface existing cabinets without removing countertop
- Call for a free consultation and estimate
- Trusted Highlands Ranch and Greenwood Village references

CABINET RESTYLE

Building cabinets and relationships since 1984
